CAL-MIL CARES

FEEDING® SAN DIEGO

Established in 2007, Feeding San Diego is the leading hunger-relief and food rescue organization in San Diego County and the only Feeding America partner food bank in the region. Feeding San Diego provides more than 35.4 million meals every year to children, families, seniors, college students, military families, veterans, people facing homelessness, and other underserved populations.

We distribute meals in partnership with nearly 350 local charities, schools, faith communities, meal sites, and food pantries throughout the region.

SOLUTIONS FOR CHANGE

Right now, 20 million people are stuck in The Churn in the United States–including millions of stressed parents and children without a stable place to grow. Since we opened our doors in 1999, we have seen how homelessness and poverty trap people in a cycle of hardship, temporary relief, and dependency. This cycle is what we call The Churn–it's a costly and futile cycle that captures the most vulnerable and keeps them and their loved ones trapped. Our goal is to teach people to fight The Churn, and help them overcome to live happy, independent lives.
