FOH® Just Got Smarter

FOH® Worldwide is setting a new global standard for buffet service, empowering hospitality professionals to serve with confidence, style, and efficiency. Smart Buffet Ware by FOH® is a pioneer in advanced buffet technology. Known for its eco-friendly induction systems, and plug-less, sustainable power solutions, for limitless buffet placement indoors or out. With products designed for efficiency, durability, and sustainability, Smart Buffet Ware® has earned a reputation for innovation in the hospitality industry.

Through its exclusive partnership with Tiger Company LTD, Smart Buffet Ware® has become synonymous with design excellence and premium quality. Tiger's globally influenced design process begins with Italian designers and is perfected by Korean craftsmanship, ensuring each product meets the highest standards of innovation, durability, and aesthetic appeal. This collaboration allows FOH® Worldwide to introduce a new era of modern, efficient, and sustainable buffet solutions.

CORE PILLARS

At the heart of our brand lie four fundamental pillars: **culture, diversity, social responsibility and sustainability.** These pillars define who we are and guide every decision we make, reflecting our commitment to making a meaningful impact on our team members, partners and industry.

Dynamic Culture

We draw inspiration from our Miami surroundings, prioritizing a vibrant and harmonious workplace environment. Our commitment to unity and respect has earned accolades like Great Place to Work® and Best Workplace in Manufacturing & Production™.

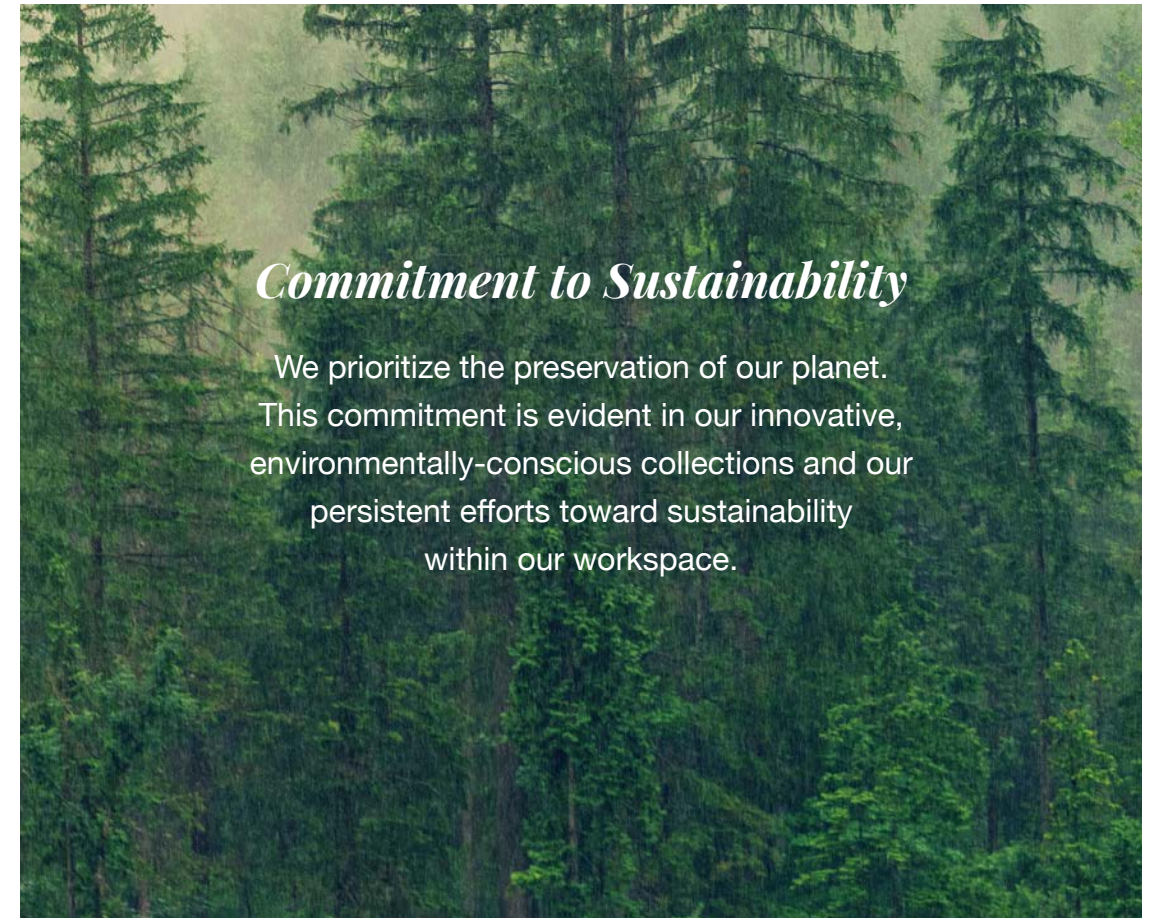

Certified Diverse Supplier

We are founded on the principles of DEI&B: Diversity, Equity, Inclusion, and Belonging. Proudly WBENC and NGLCC certified, we are dedicated to empowering one another and cultivating an environment where differences are not only embraced but celebrated.

Social Responsibility

We actively support organizations and initiatives dedicated to creating positive change in our world. With our Kindness Platform, From Our Hearts®, we contribute our time, products, and profits to meaningful causes.

Commitment to Sustainability

We prioritize the preservation of our planet. This commitment is evident in our innovative, environmentally-conscious collections and our persistent efforts toward sustainability within our workspace.

SMART INDUCTION WARMERS

WHY YOU'LL *LOVE* IT

Efficient Power Usage

Maximize energy savings with smart designs that increase the number of chafers on a single circuit to significantly reduce energy costs.

Precision Heating Control

Maintain optimal serving temperatures with the enhanced heat management and automatic adjustments our systems offer.

Innovative Designs

Advanced technology enhances reliability, and ensures ease of installation and use while maintaining superior performance.

Durable Construction

Unlike traditional induction units, our fanless technology prevents smoke and steam infiltration, protecting internal electronics for enhanced durability and reliability.

INDUCTION WARMERS

Solid cast aluminum body ensures rapid heat dissipation for optimal performance.

Patented fanless design prevents smoke and steam infiltration, protecting the electronics for enhanced durability and reliability.

Precision thermostat with adjustable settings ranging from 140°F (60°C) to 200°F (94°C) for accurate temperature control.

Features a 6-hour auto timer, adjustable in 1-hour increments from 1 to 24 hours for customized operation.

7" Round Flush Mount Induction Warmer - 110v

pack 1
BTC013BKF18

DROP-IN INDUCTION WARMER

Operating at 500 watts, enabling up to four warmers on a single 20-Amp circuit, minimizing electrical infrastructure costs.

Can be flush-mounted into a buffet surface for a seamless appearance or used as a standalone warmer with the optional induction stand.

Equipped with touch-top controls, it offers intuitive operation for precise temperature management.

CHAFER COLLECTIONS

WHY YOU'LL *LOVE* IT

Seamless Functionality

Innovative details like tempered glass lids, ergonomic front handles, food pan lift tabs, and more provide for efficient, simple operation.

Optimized Performance

Engineered for superior heat distribution, with canned fuel or induction options and features that enhance energy efficiency.

Easy Storage and Mobility

Stackable items and efficient trolleys make storage and transport effortless, while high-quality materials ensure long-lasting performance.

Versatile, Modern Options

Our chafin collections feature clean lines, premium durability and construction, and a range of styles, shapes, and sizes to complement any buffet setup.

High-quality 18/10 stainless steel

Tempered glass lid for viewing contents.

Stop-motion hinge reduces the risk of accidents or burns in high-traffic environments.

Water recycling system maintains food moisture and reduces refill frequency.

Insulated handle provides easy handling and an ergonomic grip.

Removable ring allows for hassle-free cleaning and maintenance.

Cladded bottom delivers superior heat distribution with induction or canned fuel.

Stackable stand saves space for convenience and easy storage.

Optional transport trolley provides easy mobility and storage, enhancing operational efficiency.

DOMINO BUFFET DISPLAY SYSTEM

WHY YOU'LL *LOVE* IT

Customizable Configurations

Create fully customizable buffet layouts with interchangeable and connectable modules to suit different service needs, event types, or spatial constraints.

Space-Saving Design

Engineered for effortless storage and mobility, stackable components and integrated magnets optimize space efficiency and enhance stability.

Enhanced Maintenance & Durability

Crafted from 18/10 stainless steel and strong acacia wood for easy upkeep and resistance to wear, the system is perfect for high-traffic hospitality environments.

Versatile Temperature Control

Keep a variety of foods at the proper serving temperatures with induction warming, cooling, and ambient temperature display options for use in any setting.

HEAT LAMPS & CARVING STATIONS

WHY YOU'LL LOVE IT

Adjustable Heating Control

Infrared heat lamps with adjustable settings provide consistent heating for optimal food temperature, available in single and double lamp options.

Optimized Performance

Designed for standalone use or seamless integration with carving stations, these units offer exceptional flexibility for buffet configurations.

Efficient Heating

Crafted from premium 18/10 stainless steel and food-safe phenolic resin or HDPE, our carving stations are easy to maintain, with dishwasher-safe components.

Maximize Storage Efficiency

Stackable carving stations optimize storage space, and modular elements seamlessly integrate with other collections to create a cohesive buffet setup.

User-Friendly Features

Removable drip trays, built-in juice reservoirs, and multiple voltage options simplify carving and maintenance and ensure compatibility across settings.

COFFEE URNS

WHY YOU'LL LOVE IT

Premium Durability

Commercial-grade 18/10 stainless steel construction offers superior resistance to rust, scratches, and wear to reduce replacement costs.

Temperature Retention

Insulated domed lids and heat-resistant spigots ensure beverages stay at the ideal temperature when used with canned fuel or electric heaters.

Versatile Capacity Options

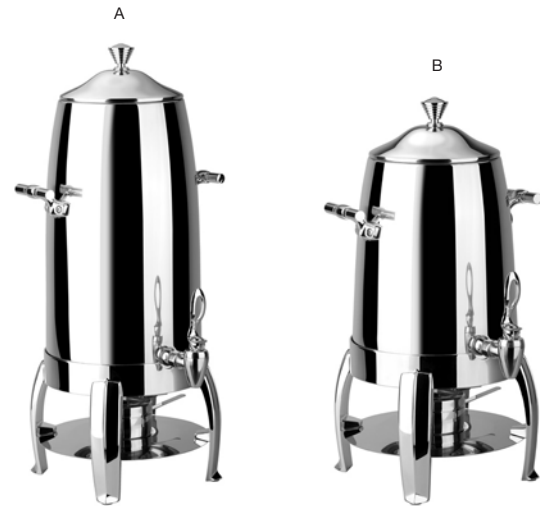

Available in 1-gallon, 3-gallon, and 5-gallon sizes to meet a range of service needs, from small spaces to large events.

Ease of Maintenance & Use

Dishwasher safe and detachable components simplify cleaning and upkeep, and ergonomic handles provide effortless, safe transport for busy hospitality settings.

DISPLAYS

WHY YOU'LL LOVE IT

Modular Designs

Configurable components, stackable units, and multi-tier displays all seamlessly integrate hot, cold, and ambient temperature displays.

Temperature-Controlled

Solutions featuring induction or infrared heating, integrated cooling or ice pans, and neutral displays for items that don't require temperature regulation.

Durable & Hygienic

Crafted from stainless steel, durable acrylic, and other easy-to-clean materials for long-term use and food safety compliance.

Versatile Styles

Counter displays are available in trend-forward finishes that seamlessly match other collections, including matte, glossy, and wood grain.

TROLLEYS

WHY YOU'LL LOVE IT

High-Quality Construction

Designed with sturdy frames that blends durability with a refined aesthetic, making the system ideal for any event or hospitality setting.

Flexible Power Options

Available with integrated battery-operated DC for portability or plug-in AC for stationary use.

Versatile Temperature Control

Feature induction heating for hot dishes and cooling solutions for chilled items, allowing both to be served simultaneously for maximum versatility.

Maximum Functionality

Designed to fit seamlessly into standard elevators, and feature durable casters for stability and balance.

TROLLEYS

Run 3 Chafers
for up to 16 hours
on a single charge.

Rechargeable battery
fully charges in 4 hours.

**Connect two trolleys
with boards**
to provide extended display
space and allowing
endless configurations.

High-quality casters
ensure smooth and easy
movement in tight spaces.

Locking mechanism
prevents accidental movement
during use for stability and safety.

Sturdy ash wood frame
combines a durable design
with a refined look.

Adaptable Eco Boxes
allow for undersurface induction
warming, action station cooktops,
cooling, or chilled surfaces.
